UNWRAPPED

This is the agenda for Unwrapped, the **online conference for Datawrapper users from March 13-15, 2024.**

Expect talks to start a bit earlier or later than stated, especially within blocks. That's because we want to stay flexible and encourage discussions. The talks will extend into the **B U F F E R** time – that's what it's for.

Visit **datawrapper.de/unwrapped** for
- more information about each talk,
- a FAQ for participants,
- a shared calendar with all talks,

**and to sign up for the conference, for free.**

Time zones:

UTC+1, e.g. **Germany, Nigeria**
UTC−4, e.g. **Bolivia, U.S. East**
UTC−7, e.g. **U.S. West**
